EAVE

How do you like to go up in a swing
up in the air so blue?
Oh ,I do think it the pleasantest thing
ever a child can do.

Up in the air and over the wall
till I can see so wide.
River and trees and cattle and all
over the countryside.

Till I look down on the garden green
down on the roof so brown

Up in the air I go flying again
Up in the air and down.
