

A wide-angle photograph of a sunset over the ocean. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water. The sky is filled with dark, dramatic clouds, some of which are illuminated from below by the setting sun. The water in the foreground is a deep blue with gentle ripples.

I am forever walking upon these shores,
Between the sand
and the foam, The high tide will erase my foot-prints,
And the wind will blow away
the foam. But the
Ocean and the shore will remain forever.
